

AVANT GARDE PRODUCTIONS

PREMIER WEB SITE PACKAGE

Announcing Avant Garde Production's Premier Web Site Package, the must-have online marketing solution for Real Estate Agents. With today's consumer being more technologically savvy than ever, it's critical to reach them where they're at—their computer. Don't miss out on one of the most powerful marketing tools you'll ever have!

AGP Premier Package Includes:

- Custom 8-page Web Site with built-in IDX Technology, a powerful client attraction and management tool which helps your potential clients search the MLS in real-time
- E-Newsletter Template for e-mail marketing
- 6 months of free hosting
- Optimized for all major search engines
- Custom contact form
- Built-in RSS feed

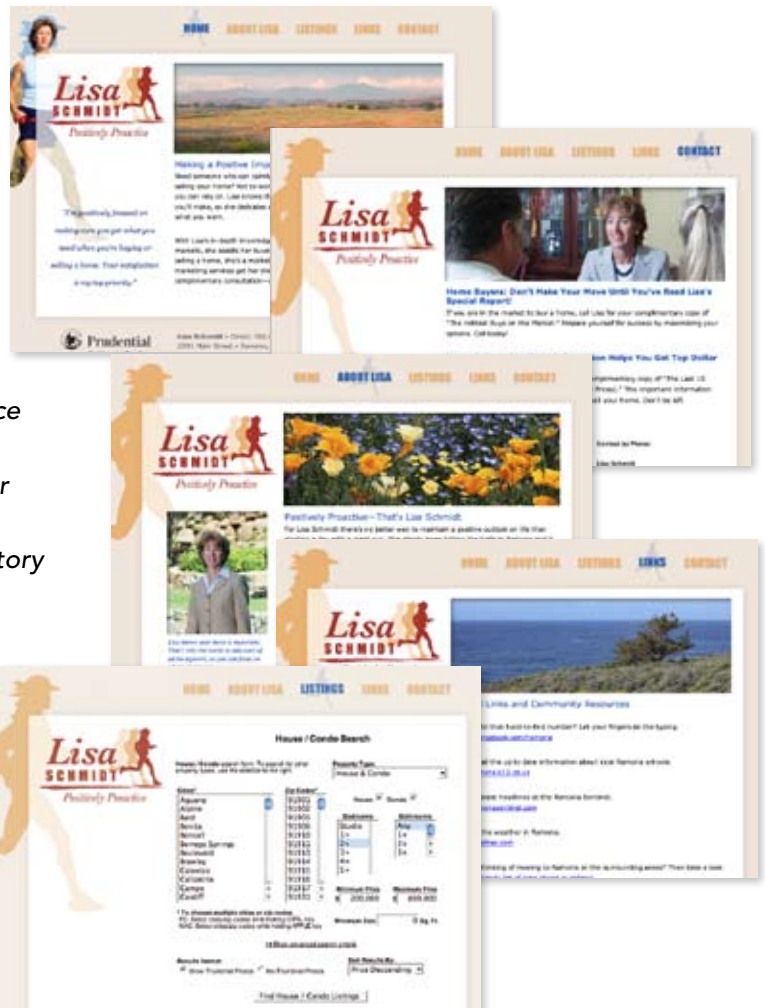

Don't forget to ask about our domain name registration and hosting services. We also offer blog solutions for agents to want to take advantage of new communication channels.

A successful web site will help you achieve these important goals:

- Create an established, professional web presence
- Build a prospect database using your web site
- Gain critical exposure for yourself with the major search engines
- Create a brand based on you and your unique story
- Expand your marketing efforts

Avant Garde Productions has been partnering with Real Estate agents and brokers for nearly a decade. We create advertising and marketing solutions that command attention. Call us today at 866.731.7773 and let one of our web sites help distinguish you from the rest of the crowd.
